CHECKLIST OF REQUIRED DOCUMENTS FOR CONSIDERATION

You **MUST** completely fill out this application, sign it and submit 2 COMPLETE SETS of the following with your application

1. Written description of request
2. Plot plan showing location of improvements in relation to the property lines, easements and existing structures.
3. Construction plans, blue prints and/or landscape design
4. Specific information regarding materials, colors and size
5. Any additional relevant details of the project.
6. Any permit(s) and/or variances required by the City of Westfield or Hamilton County.

In submitting attached plans, **I certify** that I have read and agree to follow all Construction Guidelines (Exhibit B) and the Architectural Review Committee Guidelines, as set forth by the Architectural Control Committee of Merrimac Homeowner's Association Inc., – both of which were last updated 4/1/09.

I **acknowledge** that: **A)** Entering easements is advised against and if I choose to do so, I do so solely at my own risk and expense –as the ACC's approval of my project is solely based on factors such as (but not limited to): materials, construction, aesthetics and harmony with the surroundings. **B)** In the case of an application for improvements which will enter an easement, it is my responsibility to determine the need of AND provide any permits or variances required by any local or county municipalities with my application. **C)** ALL required documents listed above shall be submitted before the review and approval process can begin and that **without written approval, no work or construction shall begin prior to the end of the approval period,** which commences upon the receipt of all required documents.
